Drama Club

Welcome to CCMS Drama Club! We are so excited to be returning to the stage. CCMS is proud to welcome our actors and stage crew back to the stage for our first staging of readers' theater.

This year, in Drama Club, our Readers Theater program will give students the opportunity to explore a wide variety of literature while building confidence, expression, and teamwork skills. Readers Theater is a performance style where students bring stories, poems, and scripts to life through voice and expression—no memorization or big sets required.

We will read and perform selections from historical texts, science fiction stories, poetry, comedy sketches, and choral readings. Each genre will allow students to practice
